## The magic of Italy

There are places in Italy whose names evoke unrivalled holidays, both in terms of their luxury and natural beauty.

Welcome to these gems. Portofino, Costa Smeralda, Maratea, Bellagio - we've taken something from each of them.

Let's meet in the Grand Bar Salento, the epicentre of life on board. The sea greets you through the large windows on each side.

If you love art you can enjoy a series of works inspired by magic and created by the prestigious Accademia di Brera in Milan.

Do you want to head out on deck? Here you can decide whether your first dive will be into a pool or the bubbling waters of a Jacuzzi. Or perhaps you'll be attracted by the elegance of the Lido with its retractable glass roof for swimming in all weathers. Make yourselves comfortable, your drink will be here in a moment.
