ARABIA & THE HOLY LAND

ancient treasures, modern wonders

At the crossroads of Asia, Africa and Europe, the world's oldest civilizations intersect, offering up their art, artifacts, monuments and places of worship dating back thousands of years. For architecture and history enthusiasts, this is the mother lode, an up-close and personal journey of discovery. In sharp contrast, modern cities like Dubai and Abu Dhabi have arisen in only the last few decades, an oasis of world-class contemporary architecture where once there were only shifting desert sands.

In Israel, visit the Sea of Galilee and marvel at the Hanging Gardens of Haifa on the slopes of Mt. Carmel, a tribute to the Bahá'í faith. History comes alive in Jordan at fabled sites like the "Rose City" of Petra, hewn out of sandstone in the 6th century BC. Explore Byzantine treasures in Cyprus, and visit Egypt's sprawling capital, Cairo, with an overnight and time to take in the mystery of the Pyramids of Giza.

BAHRAIN, OMAN, QATAR & UAE

Along ancient desert shores, modern marvels now rise... and adjectives are lost. Visit the Grand Mosque in Muscat, the third largest in the world. Doha, Qatar's capital, boasts the stunning I.M. GATEWAY TO JERUSALEM & TEL AVIV | ASHDOD, ISRAEL

A tidy planned community built on golden dunes, Ashdod is southern Israel's only Mediterranean harbor. Yet this new city has fabulously ancient roots: Ashdod is mentioned in the Old Testament, and archaeologists have found ruins almost 4,000 years old. This is the doorway to the historic treasures of Jerusalem, and the worldly pleasures of Tel Aviv.

GATEWAY TO GIZA | CAIRO (SUEZ), EGYPT

Dating back to the Sixth Dynasty of ancient Egypt (2345-2181 BC), when it was used to protect eastern Egypt from invasions, the city of Suez has long been a strategic trading site. Located at the head of the Gulf of Suez, and at the southern entrance of the Suez Canal since its opening in 1869, modern Suez remains a naval and trade center, linked to Cairo some 80 miles west, where the Grand Egyptian Museum is slated to open in 2020. A call here serves as a gateway to the Pyramids of Giza, too.

BEFORE YOU SAIL

EVERYTHING YOU NEED TO KNOW IN ADVANCE OF YOUR TRAVELS, SHARED HERE FOR EASE OF REFERENCE AND PROPER PLANNING. PLEASE CONSULT YOUR TRAVEL ADVISOR OR CRYSTALYACHTCRUISES.COM

TRAVEL INSURANCE RECOMMENDED

Protect your trip with insurance benefits such as trip cancellation and interruption, travel delay, emergency medical and medical transportation benefits, just to name a few. Please feel free to contact us to discuss insurance options to help protect your cruise plans.

AIR TRANSPORTATION & LUGGAGE

Transfers, portage and luggage handling are part of our optional Crystal Air/Sea Program. If you choose to arrange for air travel independently, you may request embarkation and disembarkation airport transfers from Crystal Yacht Cruises up to seven days prior to the cruise. Please be advised that all guests receive complimentary transfers between the airport and the ship on embarkation and disembarkation days only.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the yacht's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. You must be on board the yacht at least two hours prior to sailing. If the yacht is scheduled to remain in port overnight or has a scheduled departure time after 9:00 pm, please plan to be at the pier no later than 7:00 pm for security clearance and check-in.

When planning your return flights, please take into consideration the date and time the yacht docks at the final port. Customs and Immigration must conduct various inspections before you are allowed to disembark. Disembarkation usually starts around 8:30 am, and all guests must disembark by 10:00 am. Times may vary if the yacht is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent Customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, you or your travel advisor should contact Crystal Reservations for flight departure guidelines, which vary by cruise itinerary and port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements and provide a personal phone contact for last-minute flight updates.

Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel advisor. Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations and seat assignments for both outbound and return flights 96 hours prior to departure.

For any flight issues, guests should contact Crystal at 1-310-788-8658

BAGGAGE, VALUABLES & OTHER POSSESSIONS

Guests may bring aboard the yacht a reasonable amount of clothing and personal effects without charge, subject to airline restrictions. All baggage must be securely packed and distinctly labeled with the guest's full name, *Crystal Esprit*, the suite number of the guest and the sailing date of the yacht. Crystal strongly recommends that all luggage be locked.

Further, due to the differing local regulatory requirements and restrictions in destinations around the world regarding the use of aerial drones, and in the interest of maintaining a safe and secure environment for all guests and crew aboard all of our ships, please be advised that aerial drones are prohibited and may not be brought on board *Crystal Esprit*. Drones must be surrendered to the Captain at embarkation, and will be kept in storage for the duration of the cruise. Guests must personally carry baggage containing breakable items and valuables, including but not limited to jewelry, watches, money, precious stones and metals, medicine, electronics, securities, checks, documents, other financial instruments and/or tickets, at all times during transit, including but not limited to on and off the yacht. **Guests should not give such baggage containing breakable items or valuables to anyone at any time**, including but not limited to porters, yacht personnel or anyone else who is not known personally to the guest, regardless of any assurances given that it is safe to do so, including during transit to and from the airport, arrival at the yacht, boarding and checking into guest's suite or at any other time while traveling. Such baggage is always the full and sole personal responsibility of the guest and may not be included with checked baggage.

While in transit to and from *Crystal Esprit* or when participating in a Crystal Destination Discoveries shore excursion, personal items and valuables such as jewelry, medication, tickets, passports and visas should be packed with your hand luggage and kept with you at all times. Please note: We highly recommend that you keep your carry-on luggage with you when in transit. Should you choose to check your carry-on luggage, Crystal cannot be held responsible for the luggage or the contents. Each suite is equipped with a personal safe.

BOARDING CRYSTAL ESPRIT

The exact embarkation and sailing times are specified on your cruise ticket. All guests must carry a passport that is valid for six months after the end of the cruise in order to embark; there are no exceptions to this rule. At most embarkation ports, the yacht is usually available for guests to board after 12 noon (after the yacht has been cleared by the local port authority). Suites are available for guests **only after 3:00 pm**.

On succeeding cruise days (the second cruise day through the last cruise day or night prior to disembarkation), all guests must be on board **no later than 30 minutes prior** to the scheduled departure.

When in port during a cruise, our unique computerized security system takes a reading of each guest's photo key card at the gangway to validate identity and advise the yacht's crew of each guest's onboard status.

Please note: To help ensure an efficient embarkation process, it is highly recommended that guests register their credit cards online at our Priority Check-in & Planning Center (PCPC) no later than 7 days prior to the cruise.

If you have not registered your credit card prior to arrival, you will need to do so during embarkation. Registering your credit card provides you with the convenience of settling your onboard expenses using our Express Check-out System, ensuring a smooth and expeditious process at the conclusion of your cruise. You will receive an itemized statement delivered to your suite on the morning of disembarkation, and your credit card will be billed automatically through your credit card company. If you wish, at the conclusion of the cruise, you may elect to pay for your onboard expenses in cash or by check at the Reception Desk. If you decide to pay for your expenses by cash or check, please notify the Reception Desk and your credit card will not be charged.

Please note: Only U.S. dollars or personal checks drawn on U.S. bank accounts will be accepted.

CHILDREN ABOARD CRYSTAL ESPRIT

Any minor under the age of 18 must be accompanied by an adult over the age of 21. In addition, if the adult accompanying the child is not a parent or legal guardian, the "Parental Consent Guardianship Form" must be signed by a parent or legal guardian and received by Crystal Yacht Cruises no later than 30 days prior to sailing.

Guests age 11 and under at the time of sailing must be accompanied by an adult 21 or older in the same suite. Parents can have two related children booked in their own suite provided one of them is at least 16 years of age and traveling in an adjacent suite to parent/s or legal guardian/s. Infants 6 to 24 months of age may travel as a third berth in a double suite. Crystal Yacht Cruises also reserves the right to restrict the number of passengers less than 3 years of age aboard the yacht at any given time. Third berth child rate will apply if accompanied by two full-fare adults.

Crystal Yacht Cruises is unable to accommodate children less than 6 months of age as *Crystal Esprit's* medical facilities are not designed to provide services to infants.

Children under the age of 6 years are welcome aboard *Crystal Esprit*; however, there are no onboard programs for children and supervised care is not available. *Crystal Esprit* regularly uses Zodiacs — for discovery, landings and to escort guests ashore in destinations where the ship may be at anchor. **Children under 6 years of age are not allowed in Zodiacs and must remain on board under the supervision of a parent or guardian.** Please contact OBGSYacht@crystalcruises.com for more info on this. They may board the vessel, but must remain on board,

accompanied by an adult at all times, until disembarkation. Children occupying a stateroom or suite will be charged the adult rate regardless of age.

CLOTHING SUGGESTIONS

The dress code on board is Crystal Yacht Casual. In line with a relaxed yachting lifestyle and casual onboard ambience, guests should wear comfortable, stylish yachting attire appropriate for your activity. By day, this includes tasteful swimming attire, sandals and shorts (swimsuit cover-ups for women; casual short-sleeve shirts for men). By evening, fashionably stylish resort wear is appropriate. Capri pants, blouses, sundresses and sandals for women. Khaki pants, Bermuda shorts, short-sleeve button-down shirts and golf shirts for men.

For days in port or depending on your activity, be sure to bring comfortable walking/sports shoes. Check with your travel advisor for special items you might want to pack for your destination and the time of year you are traveling.

There are bathrobes and slippers in each suite for your use during the cruise. Other amenities include hair dryer, Caudalie soap, body lotion, shampoo and conditioner.

We suggest you bring the following items on board:

- ♦ Insect repellent
- ♦ Sunblock
- ♦ After-sun lotion
- ♦ Moisture management clothes for outdoor activities
- ♦ Appropriate footwear for activities
- ♦ UV protective clothing for outdoor activities
- ♦ A day pack/rucksack
- ♦ Sunglasses
- ♦ Hat
- ♦ One pair of closed-toe shoes

CRUISE TICKET & LUGGAGE TAGS

Your cruise ticket is enclosed with your travel documents; it must be in your possession, along with your valid passport, when you board the yacht. Please read the complete terms and conditions on your cruise ticket as you are bound by them. Immediately following the terms and conditions, you will find the Cruise Itinerary and Travel Advisories with important details specific to your travel plans.

Prior to leaving for the airport, please be sure to complete and attach a Crystal Yacht Cruises luggage tag to each checked bag so it can be easily identified upon arrival.

CRYSTAL SOCIETY®

If you have sailed with us before, you are a member of the Crystal Society and have a personal Crystal Society number. Please make sure your travel advisor has this number to ensure that you receive your Crystal Society benefits and savings on future cruises. If you wish to redeem a Crystal Society Milestone

on your cruise, it must be requested by you or your travel advisor before you sail. Please refer to the terms and conditions of the Crystal Society Benefits Program for further information, available at www.crystalcruises.com/crystal-society

INOCULATIONS

Requirements for inoculations often change. Crystal Yacht Cruises informs you of the current health requirements; however, it is your responsibility to have all required vaccinations with a signed International Certificate of Vaccination. We recommend that you contact your personal physician with any health concerns. **Failure to comply can result in refusal of passage by international Customs and Immigration authorities. For more details and additional information, please contact docs@crystalcruises.com**

MEET & ASSIST

DOMESTIC

If you are participating in our optional Air/Sea Program or requested embarkation airport transfer, a Crystal representative will meet you in the baggage claim area. Please claim your luggage and leave both the luggage and claim checks with the representative. To reserve your transfer, log in to your reservation at the Priority Check-in and Planning Center (PCPC) or contact the Yacht Onboard Guest Services at OBGSYacht@crystalcruises.com.

Please be advised that all guests receive complimentary transfers between the airport and the ship on embarkation and disembarkation days only, when requested in advance.

INTERNATIONAL

If you are arriving on an international flight, you will need to proceed through Immigration, claim your luggage and clear Customs prior to meeting your representative. You will then be escorted to the motor coach for the transfer service. To reserve your transfer, log in to your reservation at the Priority Check-in and Planning Center (PCPC), or contact Yacht Onboard Guest Services at OBGSYacht@crystalcruises.com.

PASSPORTS & VISAS

PASSPORT

A passport valid for six months after the completion of the cruise is required for ALL guests. **Four (4) blank visa pages are recommended per cruise for international voyages** (if you are traveling on two back-to-back voyages, you need 8 blank visa pages). Guests must take full responsibility for securing the required travel documents prior to departure. **Failure to comply may result in refusal of passage by Customs and Immigration authorities. For additional information please contact docs@crystalcruises.com**

On most cruises, passports are collected and retained by the yacht staff for the duration of your voyage in order to facilitate official clearance in each port of call.

VISA REQUIREMENTS

Visa requirements vary from country to country. Crystal Yacht Cruises informs U.S. citizens of specific visa requirements. Visa

information may also be obtained through the local embassy or consulate of the countries you will be visiting.

As requirements vary for each nationality, we request that all non-U.S. citizens contact their travel agent or local authorities to determine their individual visa requirements for **ALL** ports. Failure to comply with requirements may result in refusal of passage. **It is your responsibility to obtain all necessary visas.**

Visas must be obtained regardless of whether you plan to go ashore or remain on board while in ports that require visas. Everyone must be cleared by local Immigration authorities upon arrival in port, regardless of the length of the yacht's call.

Please note: We recommend you contact your travel advisor to ensure you have secured all necessary visas and that all documentation is up to date. Crystal Yacht Cruises cannot be held responsible at the time of sailing for any visa information provided by us or your travel advisor, as visa rules and requirements change regularly.

PRIORITY CHECK-IN & PLANNING CENTER (PCPC)

Crystal's Priority Check-in & Planning Center (PCPC), available online at checkin.crystalcruises.com for your convenience, will streamline your embarkation process and allow you to pre-reserve shoreside activities.

Guests will not be able to access PCPC within 7 days of sailing. Guests may make the following pre-cruise reservations online at PCPC:

- ♦ Crystal Destination Discoveries complimentary and optional shore excursions
- ♦ Luggage Concierge: For your convenience, Luggage Concierge is offered through a Crystal partnership and is available for an additional charge
- ♦ Complimentary embarkation/disembarkation transfers

All reservations are subject to availability. Online reservations for Crystal Destination Discoveries shore excursions are available approximately six months prior to sailing.

Please submit your dietary request in writing to Yacht Onboard Guest Services at OBGSYacht@crystalcruises.com no later than 90 days prior to your cruise, and confirm your arrangements with the Food and Beverage staff on the day of embarkation.

THE CRYSTAL YACHTING LIFESTYLE

AS YOU WISH CREDITS

"As You Wish" credits are subject to change and may be adjusted or denied based on changes to the reservation, such as category assignment, fare revisions or travel dates. Credits may not be applied as a deduction toward current or future cruises, toward taxes, fees, and port charges, prepaid shore excursions, airfare add-ons, or medical expenses. Credits may not be applied to cancelled reservations (whether paid in part or in full) and are not covered by Crystal's Cruise Protection Plan. Credits are nonredeemable for cash, are not transferable, are valid for only one sailing (defined as a booking), and are applicable on board. As You Wish credits cannot be used as additional gratuities. If not used before the end of your cruise, some credits may not be redeemable for cash and will be forfeited.

BARS & LOUNGES

Crystal Esprit offers two lounges in which you may enjoy fine wines and spirits, refreshing beers and other libations. The alfresco Sunset Bar is located on the top aft deck of the yacht. The Cove, located on Crystal Deck 4, is the yacht's premier gathering place to enjoy drinks, entertainment and catching up with fellow guests.

Guests must be at least 18 years old to be served wine and beer and at least 21 years old to be served spirits. When docked or anchored in U.S. ports, within the 3-mile limit, guests must be at least 21 years old to be served any alcoholic beverage.

BUSINESS SERVICES

Our open conference room, the Compass Room, is available for meetings on board *Crystal Esprit*. Two laptops are available on board for guest use. For your convenience, complimentary 24-hour Wi-Fi access is also available throughout the yacht, reception permitting.

BUTLER SERVICE

Butler service is available in every suite. Your butler provides unpacking and packing upon request and in-suite dining. If you wish to request these services please contact OBGSYacht@crystalcruises.com

COMMUNICATION

MAIL

Included in your travel documents is a Communications brochure that lists the addresses of the embarkation and disembarkation ports where mail can be forwarded or delivered to you on board. Postage and mailing services are available on the yacht. Be sure to allow sufficient time for delivery to distant destinations.

TELEPHONE

Crystal Esprit is equipped with a telephone system that allows you to make direct-dial satellite* phone calls from your suite. Calls are billed to your yacht account or a major credit card. However, please be aware that the \$2.50* per-minute cost to use this satellite system is significantly higher than a normal shoreside call. You may also wish to use pay phones located in various ports of call.

Crystal Esprit does not offer cellular services at sea. If a signal is available from shore, cellular devices should work. Please note that roaming charges will apply depending on your personal service provider and will appear on your personal cellular invoice. Contact your mobile home service provider for more information about rates, additional fees and taxes. While you do not need to do anything special to connect, you must have authorized service for international dialing through your home provider. To determine if there is cellular access available in the area of the world to which you will be traveling, please contact your home service provider.

SATELLITE RECEPTION

All electronic communication to and from the yacht is via satellite. Interruptions in satellite reception can occur at any time without notice. This is out of our control and we apologize for any inconvenience it may cause, Crystal Yacht Cruises cannot guarantee that communication connections for telephone, television, Internet or email will be available at all times in all areas of the world.

WI-FI SERVICE & INTERNET ACCESS

Crystal Yacht Cruises is pleased to provide both complimentary Wi-Fi service and satellite Internet access for our guests. All onboard Internet traffic travels from the yacht to a satellite before returning back to earth to load web pages.

While aboard, there is no local high-speed Internet provider such as you would have at home. Satellite communication is the only way to "plug in" and access the Internet. We are pleased to offer all the Internet comforts of home, and we appreciate your patience with delayed connection as web pages travel the extra miles for you. Please be advised that voice and video calling services such as Skype and FaceTime may not be available on board.

DIGITAL CONTENT

We highly recommend that you download the following apps at [crystalcruises.com/crystal-apps-dashboard](https://www.crystalcruises.com/crystal-apps-dashboard) prior to leaving for your cruise in order to take full advantage of all the digital content and entertainment while on board *Crystal Esprit*:

Guests may cash traveler's checks up to \$1,000 USD within a 24-hour period. The maximum amount of traveler's checks that can be cashed by one person is \$1,000 USD multiplied by the number of days in the cruise. Credit card payments and personal checks are subject to credit clearance. In some ports, a local currency exchange service may be available on board. Only U.S. dollars and euros are accepted on *Crystal Esprit*.
