SAIL WITH A WORLD OF ASSURANCE

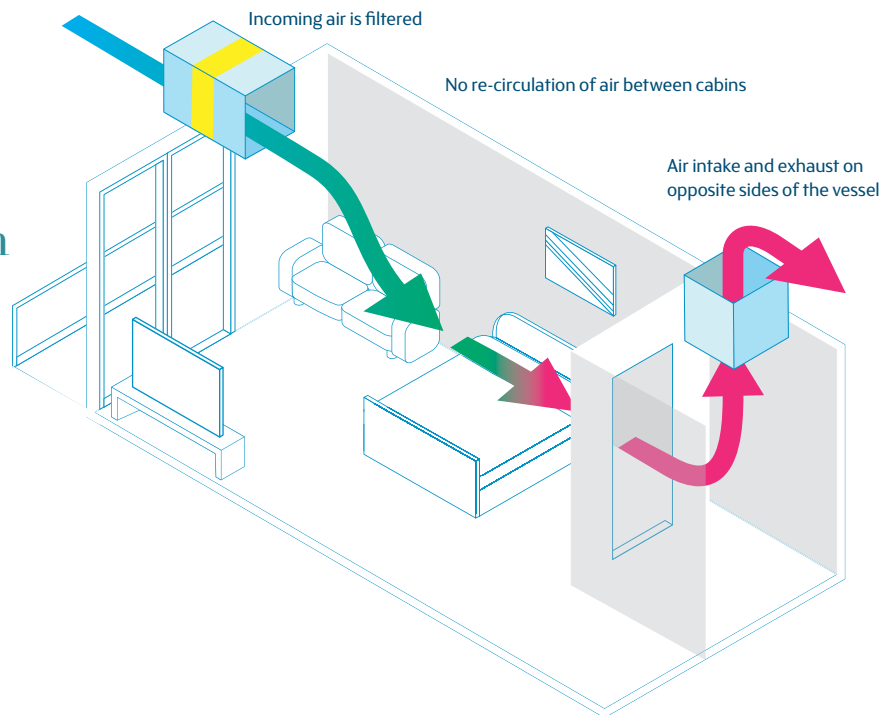

Safeguarding the health and safety of
our guests and crew is our utmost priority

Our ships are built in adherence to
Nordic safety standards with
German Manufacturing 4.0

100% fresh air ventilation system No air re-circulation

Incoming air is filtered and a dedicated ventilation system redirects air out of the ship to ensure no re-circulation of air between cabins. Air intake and exhaust on opposite sides of the vessel.

COVID 19 Test Before Boarding

Food Hygiene Enhancement

Self-service at buffet restaurant will be suspended. All food & beverages will be served to guests by crew members wearing face masks & disposable gloves.

Safe Experience

Higher frequency with increased levels of sanitization and disinfection in guests' cabins; all public areas onboard will undergo a two-tier sanitization process. Sanitizer dispensers available at public areas with crew members stationed at key venues to provide hand sanitation.

Contactless Check-in Online

Guests can receive designated arrival time at the cruise terminal to minimize crowd congestion.

Cruise As You Wish Policy

Flexibility to cancel up to 48 hours before sailing and receive 100% future cruise credit.
