# THE MAGIC OF NORTHERN EUROPE

Welcome to Northern Europe, a melting pot of peoples, histories, architectural styles and cultures. A place where thriving modern capitals are surrounded by vast open landscapes that hold the key to centuries of legends and traditions. Thanks to our small, intimate ships, we'll take you to these close and faraway places for a deeper understanding of the magic behind it all.

From Goðafoss, the majestic "waterfall of the gods" in Iceland, to the imposing Cliffs of Moher in Ireland, you'll be in awe at how nature has lovingly sculpted this part of the world. Deep blue fjords contrast with black beaches of volcanic sand while gargantuan mountains hide pristine lakes and luxurious hot springs. In the extreme north, the lands of the midnight sun will make you see this old

continent in an entirely new way, as you sail along the same coastlines the Vikings did almost a thousand years ago. Visit the singular Hermitage museum on the banks of the Neva river winding its way through St. Petersburg or look up at the behemoth that is London's Big Ben before asking it to take a selfie with you. Once you've taken in all these must-sees you'll be ready to explore some of Northern Europe's lesser-known destinations, including smaller ports featured on our cruises for the very first time. These include Iceland's Sudureyri, a quaint fishing village nestled among green hills and awesome waterfalls, and Melfjord in Norway, right at the tip of one of the world's most breathtaking fjords.

# THE BALTICS

## THE LANDS OF THE MIDNIGHT SUN

As you look out from the deck at the melting pot of colours, cultures and languages that is the Baltics, you'll marvel at the different worlds you'll encounter. Enjoy extra hours of daylight strolling through Stockholm or taking in the panorama at Helsinki's harbour. Then take a moment and enjoy a fabulous meal as curated by chefs from the Scandinavian culinary movement, featuring fresh, sustainable ingredients and savoury traditional dishes.

# S.A.L.T. SEA AND LAND TASTE

*Enjoy all the flavours of Northern Europe and the British Isles*

## SAVOUR LOCAL CUISINE ON BOARD SILVER MOON

From Russian caviar to the smoke-houses dotting the Swedish countryside, there is much to recommend a culinary tour of Northern Europe. With the new S.A.L.T. (Sea and Land Taste) culinary programme, you will look well beyond typical tourist fare to understand the food and traditions of the region. Expertly-guided shore excursions uncover the history, stories and personalities behind the well-known dishes, as well as shine a light on lesser-known culinary treasures. Think of anything from an exploration of the world-class restaurant culture of Copenhagen to the preserving methods of Iceland, to foraging for flavours the New Nordic way. S.A.L.T. Kitchen is

our regionally-focused restaurant with an ever-changing menu that reflects where the ship is at any moment. S.A.L.T. Bar is the place to get to know the great wines and spirits of the region, from the aquavits of Scandinavia to the single-malts of Scotland. For those who want to go deeper with hands-on cooking experiences and culinary discussions, S.A.L.T. Lab is an interactive space where you'll join our talented chefs as well as visiting experts to learn how dishes are prepared and enjoyed locally. S.A.L.T. integrates food, culture and travel like never before, with amazing and immersive food and drink experiences. No two cruises are the same.

All suites have sophisticated furnishings and everything you need for a marvellous stay. And with a staff-to-guest ratio of nearly one-to-one and a butler to each and every suite, our legendary service is but a hand-wave away.

For those yearning to explore something new, Silversea's purpose-built Expeditions ships Silver Cloud and Silver Wind can transport you to some of the most remote areas of the Northern Europe, getting you closer to its cities and landscapes than ever before. You'll find we have a passion for perfection in everything we do and a highly-personalised approach to service. Enjoy exquisite cuisine, spacious lounges and intimate bars, where conversation flows freely and nobody has to reach for the tab, as well as wellness areas simply for relaxing.
