Only this one navigates idyllic waterways and has 24-hour butler service.

CRYSTAL BACH | CRYSTAL DEBUSSY | CRYSTAL MAHLER CRYSTAL MOZART | CRYSTAL RAVEL

SPACIOUS LUXURY

Crystal's all-suite river fleet is the most luxurious and spacious in European river cruising, featuring the largest luxury suites and highest staff-to-guest service ratios. Twice the width of any other river ship, *Crystal Mozart* boasts an expansive wrap-around Promenade, two fitness centers, numerous social spaces and restaurants. Rhine Class sister ships *Crystal Bach, Crystal Debussy, Crystal Mahler* and *Crystal Ravel* rise to the prominence of their names with a Panoramic Balcony-window in every suite and a host of modern technologies.

UNIQUELY RIVER

ALL YOU NEED TO KNOW ABOUT RIVER CRUISING

First time river cruisers are often surprised — and delighted — by the unique experience that is a European river cruise, and by all the ways in which river cruising is so entirely different than traditional ocean cruising. While the all-inclusive luxury and genuine hospitality for which Crystal is known remains the same across all of our Experiences — Ocean, River, Yacht and Expedition — a Crystal river voyage, by its very nature, brings travelers intimately close to the rare riverscapes and landscapes of the Rhine Main, Danube and Moselle rivers: so close you can almost reach out and touch the trees, castles and charming city centers passing by right outside your window.

DOCKS AND GANGWAYS

After journeying through some of Europe's most scenic interior waterways your Crystal River ship will arrive at docks that are typically located in the heart of the city or town. As such, the docks are open and uncovered, yet conveniently close to restaurants, shopping and public transportation.

Depending on water levels, the gangway may be positioned at a much greater angle than on an ocean ship, which adds to the adventurous nature of a river cruise itself.

ITINERARY CHANGES

Unpredictable weather events, river currents and lock traffic can sometimes necessitate a change in the timing or order of the ports of a published itinerary. Thankfully we have numerous contingency plans prepared so that you are always cruising and enjoying your river cruise vacation as much as possible.

"RAFTING"

Rafting is another unique aspect, and age-old practice, of river cruising where multiple ships "park" alongside one another. In order to reach land, guests must walk across — or through — other ships. The rafting of ships positions them so closely together you might even be able to reach out a window and literally touch the ship alongside your own.

ACCESSIBILITY

Dedicated to providing a comfortable and safe environment for all of our guests, Crystal River Cruises makes every effort to accommodate the needs of persons with disabilities. Guests with reduced mobility often have difficulty with narrow gangways, uneven surfaces, and limited port access.

ENTERTAINMENT

The relaxed environment of a Crystal river ship — which is smaller than one of our ocean vessels — provides the perfect setting for intimate musical performances. We regularly host trios, jazz artists and instrumentalists in Palm Court, the social hub of each ship. Local talent often comes aboard to entertain with regional favorites and engaging, cabaret-like performances.

LOCKS

One of the most fascinating parts of a European river cruise is the transiting of locks along certain stretches of the rivers. In order to move from one level of the river to the next, river ships transit one or more locks. This process often involves the ships queuing up to be guided into and secured within the lock, and then either raised or lowered as river water floods or partially drains out of the enclosure. The busy atmosphere of a lock transit is often livelier than most guests expect and creates some great photo moments of your journey.

HOW DOES A LOCK WORK?

A lock is a chamber with gates at either end. As a ship enters the lock, which is often mere inches wider than the ship itself, the ship's crew secures the vessel in place. Once the first gate is closed, the chamber is either flooded with or drained of water, depending on the direction in which the ship is headed. Enormous holding tanks are used to drain or fill up these chambers with water. After just a few minutes, once the water inside the lock has reached the same level as the river, the second gate is opened and the ship is able to pass through.

rivers of TIME & ROMANCE

Flowing through the very heart of landscapes both inspiring and enchanting are the grand European waterways that have carried kings, defined borders and nourished lush vineyards and hillsides for centuries. Along the shores of the Rhine, Main and Danube, as well as Moselle rivers, royal fortresses of centuries past mingle effortlessly with modern symbols of prosperity. Encompassed by these waters are thousands of years of history, hundreds of impossibly charming hamlets and vibrant cities, and dozens of UNESCO World Heritage Sites, all beckoning you to come and explore their stories.

the RHINE & MOSELLE rivers of the ages

BELGIUM | FRANCE | GERMANY | NETHERLANDS | SWITZERLAND

STORYBOOK LANDS

From the high Swiss Alps to the dikes of the Low Countries, the majestic Rhine flows uninterrupted by time — past sheer cliffs and fairy-tale castles, ancient princedoms and shining modern cities, and a non-stop procession of cultural touchstones. The Rhine's role within Western Europe's geopolitical story is unrivaled, and dates back to early Roman times. Each bend, each mile, each landmark along the river's course has its tale to tell. And together, these tales form a legend cast in stone, forged in steel, and swathed in romance.

UNESCO SITES & SPECIAL HIGHLIGHTS

- Be awed by Cologne's glorious Kölner
 Dom and wowed by Augustusburg and
 Falkenlust palaces
- Cruise through the Upper Middle Rhine Valley, a 40-mile ribbon of UNESCO wonders
- Ride a gondola-lift to Koblenz' Ehrenbreitstein Fortress, perched high above the Rhine
- Enter Speyer's 1,000-year-old cathedral, where Holy Roman emperors and German kings rest
- Stroll a canal-laced warren of half-timbered houses in Strasbourg's splendid Grande Île
- Explore the landmarks of Trier, a once important powerhouse of the Roman Empire
- Bike among riesling grapes in Bernkastel

THE LEAFY UPPER RHINE

At Basel, the Rhine takes a big bend and veers northward — leaving Switzerland behind as it navigates the Alsace region of France and Germany. French Strasbourg and German Kehl sit opposite each other, a pair of splendid fairylands connected by bridges. Beyond Speyer, Mainz is home to an original Gutenberg Bible. Just around the next bend, Rüdesheim sits at the start of the Gorge.

THE GORGEOUS RHINE GORGE

The deep gorge between Bingen and Bonn may be the Rhine's most thrilling 90-mile stretch. Dramatic slopes brim with vineyards while some 40 castles provide medieval atmosphere. Myths abound here, such as the siren of Lorelei rock who lured weary seamen. Where the Moselle joins the Rhine in Cochem, a riverside promenade beckons. Upstream, Koblenz offers sidewalk cafés and *Weinstuben*.

THE ENCHANTED MOSELLE

With its mountains, vineyards and villages, this is river cruising at its most idyllic. So narrow is the Moselle — and so close to the shoreline while you cruise — you can hear the breeze rustling the trees and be tempted to reach for the Riesling and Gewürztraminer grape-laden vines. See the Spitzhaüschen (pointed house) in Bernkastel, explore the 12th-century Eltz Castle in Trier and stroll Cochem's scenic riverside promenade.

ON EVERY CRUISE YOU'LL ALWAYS ENJOY:

- Crystal's highly acclaimed six-star service
- Michelin-inspired farm-to-table cuisine prepared fresh to order
- All-inclusive, complimentary fine wines, premium spirits, authentic regional, local and seasonal wine and beer offerings, gratuities and more
- Extensive selection of inclusive shoreside experiences

TULIP TIME a symphony in color

Few natural spectacles are as riotously colorful as the scene that blankets The Netherlands and Belgium when the tulips — millions and millions of them — announce the coming of spring. Join us for a memorable voyage into a land that has one wooden shoe firmly in the medieval past and the other dancing on the leading edge of contemporary culture.

ABLOOM WITH HISTORY

Holland's love affair with tulips harks back to the 1500s, when these handsomely symmetrical Himalayan flowers were first imported. The Dutch soon grew so obsessed with cultivating new varieties that the famous "Tulip Mania" of the 17th century followed, when the rarest bulbs traded hands for more guilders than a mansion — until the market crashed. Widely regarded as the world's first free-market bubble, this apocalyptic tale has been somewhat debunked by recent research. But don't tell the destination guides that.

A GLORIOUS waltz through time

Steeped in history, myth and jaw-dropping scenery, the sinewy Danube flows through ten European nations on its 1,770-mile journey from the Black Forest to the Black Sea. To cruise this watercourse is to relive centuries of cultural and architectural achievement, dating back to when this was the northern boundary of Rome's empire. Each gleaming city, each humble village, each hidden gorge or hillside castle echoes with its own rich stories — sometimes triumphant, sometimes tragic, but always enchanting.

AUSTRIA'S WACHAU VALLEY

This storied stretch of the Danube River is barely 25 miles long, yet somehow filled with infinite charm. Vineyards dot the hillsides, castles and ruins abound, and idyllic small towns line the banks. Melk Abbey, where Benedictine monks have continued their labors through nine centuries of European history, is one of the litany of must-see landmarks that make it clear why this valley is a designated UNESCO World Heritage Site.

THE SCHLÖGEN LOOP

Each section of the nation-hopping Danube offers its own distinct character and must-see sights. THE RHINE, MAIN & DANUBE RIVERS IN ONE GRAND JOURNEY

AN EPIC transcontinental JOURNEY

A traverse of Western Europe and its eastern flank by river is a legendary experience; a voyage with deep historical meaning. The great warrior-king Charlemagne was first to envision it, back in 793. The channel he had excavated, connecting two tributaries that would link the great Danube and Rhine, collapsed in failure before his dream was realized. A thousand years later, Ludwig I of Bavaria began work on a modern replacement - and in 1992, the current Rhine-Main-Danube Canal opened its miraculous locks to create a continuous 2,200mile waterway spanning 15 countries.

👚 UNESCO SITES & SPECIAL HIGHLIGHTS

- Engage in a pilsner crawl through Bamberg, its entire Old Town a World Heritage Site

THE RHINE

Mysterious forests and alpine peaks, medieval villages and iconic castles – the Rhine is as much a legend as it is a river. From Cologne's glorious cathedral and the flower-filled vistas in Koblenz to Amsterdam's astonishing art collections and the mythical Upper Middle Rhine Gorge, the Rhine winds through some of Europe's most gorgeous landscapes.

THE MAIN

A trip through Bavaria along this lesser traveled yet fascinating river boasts magnificent sights including the Residenz in Würzburg and half-timbered buildings of Miltenberg. See the seven hills of Bamberg, each crowned with a lovely church, and transit the Main/Danube canal to discover Nuremberg, rebuilt after WWII into a stunning medieval town.

Mile after historic mile, the Danube flows like a gateway into the past, from the ruins of Roman fortresses, through Gothic and Barogue monuments and onward to the resplendent architecture of the Hapsburgs. Witness a treasury of unforgettable sights, savor some of the finest rieslings and lagers, and lose yourself in the storybook wonder of it all.

CHRISTMAS MARKETS a cherished legacy

Dating back centuries throughout the German-speaking countries of Europe, the medieval tradition of gathering in town squares to celebrate the season is having a renaissance moment of sorts with Christmas markets increasingly finding their way to the top of many a world traveler's bucket list. The forerunner of this annual holiday event was first recorded in Vienna in 1298, when citizens were granted permission to hold a "December Market" during Advent. It wasn't until 1384 that the first ChristkindImarkt as we now know it was held in Bautzen, Germany followed by Dresden's StriezeImarkt in 1434.

Today, from Budapest to Cologne (indeed, all around the world!), cities and villages along Europe's majestic rivers are aglow with twinkling lights and fairy-tale scenes of snow-dusted rooftops and wooden stalls brimming with handcrafted gifts and ornaments, freshly baked gingerbread, the scent of mulled wine and more. Typically hosted during the four weeks of Advent, many begin the Friday before Advent (four Sundays before Christmas Eve) and end on December 24, as Christmas Eve is spent at home. It is an enchanting experience sure to linger with a childlike wonder in all who experience it.

BEFORE YOU SAIL

Everything you need to know in advance of your travels, shared here for ease of reference and proper planning. please consult your travel advisor or crystalrivercruises.com.

AIR TRANSPORTATION

If you have not booked your flights with Crystal, please notify Crystal of your air details either by phone or on PCPC (Priority Check-in & Planning Center) to ensure you are on our river ship manifests.

When making your own air arrangements, we recommend allowing a minimum of five hours between your flight arrival time and the river ship's sailing time. Specific port and pier information and embarkation times are stated on your cruise ticket. Port authorities sometimes change the location of the pier or berth number, so be sure that you actually see your river ship when you arrive at the port/pier.

You must be on board the river ship at least two hours prior to sailing. If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9 pm, please plan to be at the pier no later than 7 pm for security clearance and check-in.

When planning your return flights, please take into consideration the date and time the river ship docks at the final port. Disembarkation starts at 6 am as we offer transfers to the airport. Also, guests must vacate their suite and disembark the vessel by 10 am. For guests with later flight times please ask about our hospitality services. Times may vary if the river ship is in port the night prior to disembarkation. Before booking your departing flights, please also take into account the time needed at the airport for airline check-in and security procedures. Some cities require a longer transfer time due to stringent customs procedures or travel time to the airport. If you are making independent reservations to fly home directly after the cruise, your travel agent should contact Crystal's Reservations for flight departure guidelines, which vary by each itinerary's port.

Guests should contact the airlines directly to add frequent flyer numbers for mileage accrual, secure seat assignments, arrange for special service requirements, and provide a personal phone contact for last-minute flight updates. Details regarding checked and carry-on luggage allowances (restrictions, size, weight and quantity) and applicable fees, miscellaneous service airline fees or other flight-related inquiries should be discussed directly with the airlines or through your travel agent.

Flight schedules sometimes change. We strongly suggest that you reconfirm all flight numbers, flight times, check-in times, departure terminals and locations, and seat assignments for both outbound and return flights 96 hours prior to departure.

"AS YOU WISH" CREDITS

As You Wish Credits are subject to change and may be adjusted or denied based on changes to the reservation, such as category assignment, fare revisions or travel dates. Credits may not be applied as a deduction toward current or future cruise fares, port, security and handling charges, or airfare add-ons. Some As You Wish credits may not be applied to canceled reservations (whether paid in part or in full) and are not covered by Crystal Cruise's Protection Plan. As You Wish credits are non-redeemable for cash, are not transferable, are valid for one sailing (defined as a booking) only and are only applicable on board.

Please note: All U.S. Dollar denominated shipboard credits will be converted to Euro (the river ship's official currency), three days prior to embarkation and at the company's rate of exchange on that day.

BEAUTY SALON (CRYSTAL MOZART ONLY)

The Salon in the Crystal Life Spa offers a range of beauty services for ladies and gentlemen performed by trained professionals. Featured services include haircuts, hairstyling, colorings, manicures and pedicures. Appointments may be requested through the pre-cruise butler service or whilst onboard.

Our apologies, salon services are not offered on *Crystal Bach, Crystal Debussy, Crystal Mahler* or *Crystal Ravel*. Appointments with local salons can be made through the reception desk.

BOARDING THE RIVER SHIP

At most embarkation ports, the river ship is usually available for guests boarding after 12 pm (noon). Suites are available for guest occupancy by 3 pm.

The exact embarkation and sailing times are specified on your cruise ticket. In order to embark, all guests must carry a passport that is valid for six months after the end of the cruise, and with at least four blank pages available for visas (as applicable) per advertised voyage number. Each time you leave the river ship and reboard in ports of call during your cruise, you will be required to show your suite keycard at the gangway. On embarkation day, you must be on the river ship at least two hours prior to scheduled sailing.

If the river ship is scheduled to remain in port overnight or has a scheduled departure time after 9 pm, please plan to be at the pier no later than 7 pm for security clearance and check-in. Once you are on board, our six-star crew will welcome you and assist with your hand luggage. Your remaining luggage will be delivered to your suite.

On succeeding cruise days (cruise day two through the last cruise day or night prior to disembarkation), all guests must be on board the river ship no later than **30 minutes** prior to scheduled port departure.

Upon check-in aboard your river ship, a credit card must be registered for your onboard expenses. If you have preregistered, these details will be confirmed upon your arrival. Registering your credit card provides you with the convenience of settling your onboard expenses using our Express Check-out System, ensuring a smooth and expeditious process at the conclusion of your cruise. You will receive an itemized statement delivered to your suite on the morning of disembarkation, and your credit card will be billed automatically through your credit card company. If you wish, at the conclusion of the cruise, you may elect to pay for your onboard expenses in cash or by personal check from U.S. bank accounts at the Reception Desk. Guests should be aware that some Destination Discoveries include rough terrain, extensive walking over cobblestone streets, uneven pavement, and steps and locations which may not be easily accessible or accessible at all by wheelchair.

Crystal River Cruises reserves the right, without liability, to refuse to board or transport guests whose medical condition, limited mobility or disability is not compatible with security rules and requirements specific to the navigation area, or who, in Crystal River Cruises' opinion, is unfit for travel on the river ships.

Please note: Service interruptions may occur during particular stretches of the river/s, and while the ship is transiting locks.

ITINERARIES

Crystal has prepared extensively for when unexpected circumstances, such as disruptive weather patterns or lock delays & closures, occur. Whilst Crystal makes every effort to minimize disruptions, the nature of river cruising dictates an expectation of deviations in the published itinerary.

MEDICAL FACILITIES

There are no medical facilities or doctor on board Crystal River Cruises. Medical service can be easily contacted from local shoreside facilities if required. Guests who require ongoing medication, or who have specific dietary needs are advised to bring an ample supply of medication or dietary supplements with them in their carry-on luggage.

Crystal River Cruises reserves the right, without liability, to refuse to board and transport such guests who are in need of constant care by the river ship's staff.

Please advise Crystal of your air details at least two weeks prior to departure so that we may arrange your transfer. All guests arriving by air (either international or domestic), must claim their luggage, clear customs and then will be met by our Crystal River Cruises representative in the arrivals hall, (not in the baggage claim area).

PASSPORTS | VISAS

Guests must take full responsibility for securing the required travel documents, including proper passports and visas, prior to departure.

Failure to comply may result in refusal of passage by Customs and Immigration authorities.

Currently, U.S. passport citizens do not require visas for river ship sailings in Europe. It is always recommended that guests check with their travel advisor for the most updated visa requirements.

VISA REQUIREMENTS (NON-U.S. CITIZENS):

As visa regulations vary for each nationality, we request that all guests who are non-U.S. citizens contact their travel advisor or a local visa service to determine their individual visa requirements for **ALL PORTS**. Visa information may also be obtained through the local embassy or consulate of the countries you will be visiting. It is the guest's responsibility to obtain all necessary visas. Failure to comply may result in refusal of passage by Customs and Immigration authorities.

Please note: We recommend guests contact their travel advisor to ensure they have secured all necessary visas and that all documentation is up to date. SPECIAL NEEDS & OTHER ACCESSIBILITY INFORMATION

Crystal River Cruises is dedicated to providing a comfortable experience for all our guests. We make every effort to accommodate the needs of persons with disabilities. Crystal River Cruises does not discriminate against any person on the basis of disability.

There are NO facilities for disabled guests, including handicapped/wheelchair accessible suites, or any access or assistance provided to disabled guests on embarkation or disembarkation.

For many reasons, embarkation and disembarkation presents difficulties for guests with reduced mobility. Gangways are quite steep and narrow and there is frequently a need to cross other river ships to gain access to the pier.

A) Guest must personally carry baggage containing breakable items and valuables, including, but not limited to, jewelry, watches, money, precious stones and metals, securities, checks, other financial instruments and/or tickets, at all times during transit, including, but not limited to, on and off the Ship. Guest should not give such baggage containing breakable items or valuables to anyone at any time, including, but not limited to, porters, Ship personnel or anyone else who is not known personally to the Guest, regardless of any assurances given to Guest that it is safe to do so, at any time, including, but not limited to, during transit to and from the airport, arrival at the Ship, boarding and checking into Guest's suite, or at any other time while traveling. Such baggage may not be included with checked baggage. Guests are personally responsible for their baggage throughout the travel process and should personally ensure that their valuables are carried to their suites and stored appropriately in the suite safe or in the Ship safe available at the front desk. Crystal Cruises is not responsible for loss of or damage to any such items.

B) Weapons, ammunition, explosives, substances that are hazardous, disabling, or illegal, or any other article that in the opinion of the Master shall be deemed dangerous, are strictly prohibited aboard the Ship. Such additional dangerous articles include, but are not limited to, firearms, stun guns, swords, ice picks or knives. A more comprehensive list of prohibited items is available through Crystal Cruises' Onboard Guest Services. Any such items shall be surrendered to the Captain at embarkation, and may be disposed of at the sole discretion of the Captain.

7. Liability Limitations for Loss of or Damage to Property: The total value of the luggage, valuables and other personal belongings of a Guest aboard the Ship who does not purchase Crystal Cruises' Cruise Protection Program, as set forth in paragraph 8 shall be deemed not to exceed the amount of U.S. \$250 per Guest, and Crystal Cruises' liability, if any, for loss of or damage to such belongings is limited to a maximum of U.S. \$250 per Guest, unless the Guest shall deliver to Crystal Cruises, in writing and prior to embarkation, a Declaration of the true value of the property and pay to Crystal Cruises prior to embarkation a sum equal to 5% of the excess of the agreed values set forth herein. In that event, the liability of Crystal Cruises, if any, shall be limited to the actual damage sustained up to, but not exceeding such specified value. If a Guest travels by air or other transportation, the terms and conditions of the airline or other transportation provider apply to the Guest's carriage on those conveyances, and Crystal Cruises shall not have any liability for loss or damage to luggage, valuables and other personal belongings arising out of, or related to, such air or other travel.

A) Crystal Cruises provides an in-suite personal safe for your convenience; however, Crystal Cruises shall not be liable, in any event, for any loss of or damage to money, jewelry, watches, precious stones and metals, securities, financial instruments, tickets, works of art, electronics, computers, digital or flash drive computer equipment, cellular telephones, cameras, video or audio tapes, CDs, binoculars, dental hardware, eye wear, hearing aids, medications, medical equipment, and/or other valuables stored in the insuite safe.

B) All settlements for loss or damage will be made on the basis of actual cash value (replacement cost, less depreciation) to the extent of the \$250 limit of liability of Crystal Cruises. Claims for damaged items will be settled on the basis of cost of repair. No amount shall be paid in settlement of any claim without written proof of the actual cash value, or repair cost, as applicable, arising from the loss or damage. Such proof must be sent to Crystal Cruises. Crystal Cruises' liability must also be proven before any settlement will be paid.

C) Personal belongings lost while unattended in public lounges or other public areas, whether on board the Ship or elsewhere, are not reimbursable. Losses or damage due to ordinary wear and tear, perils of the sea, acts of God, or any other cause beyond Crystal's control are not reimbursable.

8. Cruise Protection Program: Crystal Cruises' Cruise Protection Program is an optional travel insurance program available for purchase by Guests. The Cruise Protection Program is available for purchase from the time of booking up until final payment and becomes effective when Crystal Cruises receives payment of the required plan cost, in addition to any required cruise deposits or payments due.

A) Cancellation: Cancellation fees will be assessed according to paragraph 5, "Cancellations Prior to Embarkation." Refunds, if any, will be made to Guests who have purchased the optional Cruise Protection Program and only in accordance with the terms and conditions of the Cruise Protection Program.

B) Baggage Protection: Coverage for loss of or damage to baggage and other personal property of Guests who purchase the optional Cruise Protection Program is described in the Cruise Protection Program. Other than as stated in Section 7 in these Terms and Conditions, Crystal Cruises shall have no liability of any kind for any reason for loss of or damage to baggage or personal effects.

9. Itinerary/Right To Change/Detention: Crystal Cruises reserves the right at its sole option and discretion and that of the Captain of the Ship without liability for damages or refund of any kind, to deviate from the Ship's advertised or ordinary itinerary or route, to delay, advance or cancel any sailing, to omit or change ports of call, to arrange for substantially equivalent transportation by another vessel and/or by other means of transportation, to cause the Guest to disembark from the Ship temporarily or permanently, to tow or to be towed or assist other vessels or to perform any similar act which, in its sole judgment and discretion, is justified for any reason. Crystal Cruises may for any reason whatsoever cancel any sailing at any time before departure of the Ship. In such event, Crystal Cruises' only liability will be to refund to the Guest the amount it has received for the Ticket. If a voyage is canceled due to mechanical failure of the Ship, the Guest will be entitled to a full refund of the cruise fare, or a partial refund for voyages that are terminated early due to those failures. If a voyage is terminated early due to mechanical failure of the Ship, the Guest is also entitled to transportation to the Ship's scheduled port of disembarkation or the Guest's home city, at the discretion and expense of Crystal Cruises, as well as lodging at the unscheduled port of disembarkation, if required, at the expense of Crystal Cruises.

10.Health/Pregnancy/Children/Disability/Wheelchair/Alcohol/Smoking/Security/ Indemnification/Solicitation: A) The Guest represents and warrants that the Guest is physically, mentally and otherwise fit to travel; that Guest has received all medical inoculations necessary and that he or she will at all times comply with the Ship's rules and regulations and orders and directions of the Ship's officers and medical staff; that his or her conduct will not impair the safety of the Ship or inconvenience other Guests. Crystal Cruises is unable to accommodate women who will enter their 24th week of pregnancy before or during the cruise.

B) Unwed, unrelated couples must be 18 or over to be booked in the same suite. Crystal Cruises is unable to accommodate children under 6 months of age and reserves the right to restrict the number of those under 3 years of age aboard the Ship. Any child under the age of 18 must be accompanied by an adult over the age of 21. In addition, if the adult accompanying this child is not a parent, a "Parental Consent Guardianship Form" must be signed and notarized by a parent or legal guardian and received by Crystal Cruises at least 30 days prior to sailing. Guests age 17 and under must be in a suite either with a parent or a guardian over 21 years of age. Guests must be 18 years of age to gamble on the ship. If the adult Guest is the spouse of the minor, a valid marriage certificate must be presented.

C) Guests with any disability, including those primarily confined to wheelchairs or scooters or who use service animals, are recommended to notify Crystal Cruises at the time of booking. Crystal Cruises recommends these Guests be accompanied by someone who is able to assist them both ashore and at sea. Guests acknowledge and understand that certain international, foreign or local safety requirements, standards, and/or applicable regulations involving design, construction or operation of the vessel, docks, gangways, anchorages or other facilities on or off the vessel may restrict access to facilities or activities for persons with mobility, communication or other impairments or special needs. Due to the nature of river cruising, vessel traffic, and decisions of foreign port and harbor operators, disembarking at some ports may require the Ship to be tied alongside another vessel, which may in turn require Guests to ascend and descend stairs on the vessels and traverse gangways of varying widths and lengths between the vessels before reaching the gangway to shore. This type of disembarkation arrangement is outside the control of Crystal Cruises, is without advance notice to Crystal Cruises until shortly before arrival at the port, and may preclude Guests with mobility limitations from going ashore. Some ports of call are anchorage ports, and physical conditions may preclude these Guests from going ashore. This decision must be made by the Captain of the Ship based on safety and is binding. Upon request, Crystal Cruises will provide Guests additional information about accessibility and limitations of scheduled ports of call on a specific itinerary. For all inquiries please call 866-446-6625. Guests requiring a wheelchair or scooter must bring their own. Motorized scooters must not exceed 22" in width. Crystal Cruises reserves the right to limit the number of scooters on board. Portable oxygen tanks and oxygen concentrators may be used on board, provided that Crystal Cruises' Onboard Guest Services is notified at least 30 days prior to sailing. Crystal Cruises understands a service animal to be any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Animals that are not trained to do work or perform tasks are not considered to be service animals. Emotional support animals, which provide emotional support, well-being, comfort, or companionship to an individual with disabilities but are not trained to do work or perform tasks, are not considered to be service animals. Pets and other animals who are not service animals are not allowed on board the Ship. The Guest agrees to accept full responsibility for any service animal, including but not limited to food, care and appropriate paperwork for the animal, and to defend, indemnify and hold harmless Crystal against any injury, loss, damage or expense whatsoever related to the presence of any service animal aboard the Ship.

D) The Guest hereby consents to a reasonable search being made of the Guest's person, baggage or other property, and to the removal and confiscation or destruction of any object which may, in the opinion of Crystal Cruises impair the safety of the Ship, crew, or other Guests or be illegal or inconvenience other Guests.

E) Guest understands and agrees that Guests must be at least 18 years old to be served wine and beer, and at least 21 years old to be served spirits. Guest agrees not to attempt to provide or consume alcoholic beverages in violation of this policy, either for themselves or others. Guest agrees to consume alcoholic beverages only in moderation and Crystal Cruises reserves the right to refuse alcoholic beverages to any intoxicated or underage Guest. Crystal Cruises reserves the right to prohibit and retain all liquor brought aboard the Ship. Guest agrees to abide by this provision.

F) Guests shall observe the nonsmoking areas on board the Ships. Smoking, including tobacco, cigars, pipes, e-cigarettes and vaporizers will be permitted in designated outdoor area(s). Smoking is prohibited in all other indoor areas of the Ship including all other public rooms, lounges, corridors and restaurants, as well as all suites, suites and verandahs. If smoke is detected in a suite or suite, a cleaning fee of \$250 per occurrence will be billed to Guest's account. Fines will be charged for violations in accordance with this policy. If there is ongoing violation of the nonsmoking policy, more stringent consequences, including disembarkation without refund, may be ordered by the Captain.

G) The Guest shall be liable to and shall reimburse Crystal for all damages or loss of or to the Ship and its furnishings and any equipment or property of Crystal or any other Guest caused directly or indirectly, in whole or in part, by any act or omission of the Guest or those for whom the Guest is responsible, whether willful or negligent, including but not limited to, theft or any other criminal act. The Guest shall further indemnify Crystal and each and all of their agents or servants against all liability whatsoever arising from any personal injury, death or damage or loss whatsoever caused directly or indirectly, in whole or in part, by any willful or negligent act or omission on the part of the Guest or those for whom the Guest is responsible.

H) The Guest agrees that he or she shall not solicit for commercial purposes Guests or others on board the Ship, or advertise goods or services on board the Ship without the prior written permission of Crystal Cruises. Solicitation by vendors of goods and services, including, but not limited to, solicitation by travel agents, is strictly forbidden.

11. RIGHT TO REFUSE BOOKING AND PASSAGE, CANCEL RESERVATION; CONFINE GUEST TO SUITE OR DISEMBARK GUEST. A) Crystal Cruises reserves the right to refuse booking of passage on a cruise to any person or to cancel Guest's existing cruise reservation for any or no reason and regardless of a Guest's Crystal Society level or existing benefits. Any person(s) refused booking or passage in advance of the scheduled sailing by Crystal Cruises will be given a refund of their Cruise Fare unless such refusal is due to the action or inaction of Guest. Crystal Society milestones have no cash value and therefore will not be refunded.

B) Crystal Cruises, without any liability, including liability for refund, payment, compensation or credit, except as provided herein, may disembark or refuse to embark Guest because of the action or inaction of Guest, confine Guest in a suite, quarantine Guest, restrain Guest, change Guest's accommodations or disembark Guest at any time if, in the sole opinion of Crystal Cruises, the Captain or any Ship doctor, Guest or any minor or other person in Guest's care during the cruise is unfit for any reason for the cruise, or guest's presence might be detrimental to guest's health, comfort or safety or that of any other person, or in the judgment of the Captain is advisable for any reason. The Captain of the Ship has the right in his sole discretion to make decisions in this regard for the safety and security of the Ship and the health, safety and security of those on board.

C) Crystal Cruises reserves the right to request a letter from Guest's physician attesting to Guest's fitness to travel, but by requesting such letter does not waive its right to disembark or refuse to embark Guest as set forth herein. If Guest is required to remain on board the Ship or elsewhere, due to injury, illness, or disability, or due to action of any government or authority, or for any other reason not the fault of Crystal Cruises, Guest must pay or reimburse Crystal Cruises for all resulting costs and expenses including for food, transportation, accommodation, medical and/or repatriation services including but not limited to such costs incurred by or on account of services provided by port agent and other shoreside service providers, including luggage shipping costs for Guest.

D) If the Guest is refused passage or leaves the Ship prior to the end of the cruise for any of the reasons described in this section or for other reasons including, but not limited to, personal, medical, or business reasons, Crystal Cruises will not be liable or required to refund any portion of the Ticket price, or to be responsible for any payment, compensation or credit of any kind or for any of the Guest's costs.

E) The provisions of Regulation 1177/2010 on Passenger Rights when Traveling by Sea and Inland Waterways will apply where the port of embarkation is in the European Union.

Crystal Cruises takes no responsibility for air or other transportation under any circumstances. Guests must assume responsibility for their actions while ashore and for their participation in shore activities.

B) The Guest shall have no right to any refund and Crystal Cruises shall have no obligation or liability of any kind to the Guest for acts or omissions in connection with or arising out of arrangements with independent contractors since they are not agents or employees of Crystal Cruises. Arrangements with independent contractors include, but are not limited to, the following: i) services or products available for the Guest's convenience on board the Ship and furnished by barbers, hairdressers, manicurists, masseurs, spa operators, photographers, entertainers, instructors, lecturers and others; ii) services, products or transportation provided elsewhere than on board the Ship which are furnished by others in connection with visas, passports, sightseeing tours, pre-cruise and post-cruise tours, excursions and shore trips, including, but not limited to, tender service, whether arranged or organized by tour operators, travel agents or Crystal Cruises.

C) The independent contractors shall be entitled to charge for any products sold, services rendered, or transportation provided to the Guest either directly or, as a convenience to Guests, through Crystal Cruises, for which services Crystal Cruises is entitled to impose a charge and earn a profit. Refunds will not be given for partially used services. No refund will be made for missed hotel nights or other program features due to airline delays or other factors beyond the control of Crystal Cruises. Hotel Programs and Extended Land Programs are subject to the same cancellation policy as described in "Cancellations Prior to Embarkation."

D) Guest and Crystal agree and intend that all rights, exemptions from liability, defenses and immunities of whatsoever nature referred to in these Terms and Conditions applicable to Crystal Cruises and the Ship, including, but not limited to, Sections 5, 6, 7, 9, 11, 12(F), 17, 18, 19, 20, and 21 shall in all respects inure also for the benefit of certain third parties including: the Ship's tenders, the officers, crew, pilots, agents or employees, and all concessionaires, independent contractors, physician and medical personnel, retail shop personnel, health and beauty staff, fitness staff, photographers, shore excursion providers, tour operators, shipbuilders and manufacturers of all component parts, launches, appurtenances, craft or facilities, regardless of whether provided at sea or on shore, and regardless of whether belonging to any such ship or owned or operated by its owners, operators, managers, agents, charterers, contractors

E) Crystal Cruises will arrange air transportation upon a Guest's request as a separate service. If a Guest chooses this optional service, Guest authorizes Crystal Cruises to select the air carrier, routing and schedule and to substitute charter flights for scheduled air or vice versa. If due to any cause beyond its control, Crystal Cruises is unable to arrange for air travel or the air travel arranged is unavailable or otherwise fails to materialize, Crystal Cruises' liability will be limited to refunding the optional air addon amount paid to Crystal less any applicable change or special deviation fees. Crystal assumes no liability for any acts or omissions of any airline, including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. In arranging transportation, Crystal acts solely for the convenience of the Guest and not as agent or principal for the air carrier. The liabilities and obligations of an airline to the Guest and the Guest's rights as an airline passenger are governed exclusively by the terms and conditions of the airlines' tickets and tariffs.

Crystal Cruises does not own or operate the air carrier, ground transportation or hotels, and is not liable in any way for loss, damage, injury, illness or death arising in conjunction with the services provided by these independent contractors.

13. Medical Treatment: A) Medical Services and Facilities: The Guest recognizes and agrees that Crystal is not in the business of providing medical services and/or operating medical facilities. To the extent that the Ship provides a surgeon or physician, or if the Ship requests emergency or other medical care or evacuation for the Guest on the Guest's behalf (hereinafter, "Medical Services"), it is understood and agreed that Crystal does so solely for the convenience of the Guest, that such Medical Services are provided by medical professionals who work directly for the Guest, and that Crystal does not undertake to supervise, nor does it supervise or direct the actions of the person(s) providing such Medical Services. The Guest therefore agrees that Crystal cannot guarantee the performance of such Medical Services, and that Crystal Services shall be entitled to make a proper charge for any service performed for or on behalf of the Guest, and the cost of such service shall be the sole responsibility of the Guest. The Guest hereby agrees to reimburse and indemnify Crystal for any funds advanced on account of any such charges.
