Hebridean Sky: Your Antarctic Base

Hebridean Sky is a small, all-suite expedition vessel. The ship was built in 1992 and refurbished in 2005. In 2016 the ship underwent an extensive, multimillion-dollar renovation that transformed it into one of the finest small ships in the world. The ship offers elegant accommodations for adventurous exploration in Antarctica.

Classic Antarctica:

An 8-Day / 7-Night Expedition

The Classic Antarctica air-cruise is our most popular Antarctica expedition itinerary. Once arriving by flight to Antarctica, you will sail between the South Shetland Islands and the western coast of the Antarctic Peninsula. Enjoy seeing ice-filled fjords and spectacular icebergs, while spotting penguins, seals, and whales that call the Last Continent home.
